## PREFATORY NOTE

The Dutch, Flemish and Afrikaans schemes were drawn up by Clarence W. Perley, former chief of the Classification Division.

The classification scheme for Scandinavian literature was prepared in 1915-1916 by Jules Dieserud, of the Catalog Division, and edited by Mr. Perley to agree with other parts of our classification.

All these schemes have now been revised to date and prepared for printing, for administrative purposes and for the use of other libraries, especially those using the Library of Congress classification.

DAVID JUDSON HAYKIN,  
*Chief of the Subject Cataloging Division.*

ARCHIBALD MACLEISH,  
*Librarian of Congress,*
